## Spring 2010 Adult Tennis Program

As we did last year, we will be offering adult clinics for all levels beginning in early May. Whether you are just picking up the game or are a seasoned player, we will have a clinic for you. If you are interested, please fill out the information below, and we will place you in the appropriate group. Each clinic will be held in the AM (usually 9:00AM or 9:30AM) and, depending on the size, will last 60 or 90 minutes. This year, if there is a demand, we will hold an early evening clinic for those who are busy during the day.

**Please note: All 2010 Tennis Membership Dues MUST be paid in advance to participate in any clinics! Please mail it in or drop a check off at the time of your first clinic.**
